# THE ISLAND TIMES

## Hunting Licensing for Waterfront Properties

Hunting is legal as close as 150 yards from an occupied building. Waterfront owners, especially those new to the Island, should be aware that they have until **June 1st** to submit the application in order to secure their hunting rights and prevent someone else from securing the right to hunt immediately in front of their property.

Waterfowl hunting is a long-honored tradition around the Bay. While most hunters are careful and responsible, accidents do happen. Tidal waters are owned by the State of Maryland, and the Department of Natural Resources is required by law to facilitate and regulate waterfowl hunting. A plain language explanation is available here: [www.dnr.state.md.us/wildlife/Licenses/riparian.asp](http://www.dnr.state.md.us/wildlife/Licenses/riparian.asp).

**In brief, if waterfront property owners miss the June 1st deadline, then any Maryland resident can gain the right to hunt as close as 150 yards from that house.**

A downloadable copy of the necessary form can be found at [DNR.state.md.us](http://DNR.state.md.us). At top click on "Wildlife" Tab. Then the third item down on the Wildlife page is "Offshore Blind and Shore Line License". Click on that and the application should appear. Or contact: Wildlife & Heritage Service Headquarters, Tawes State Office Building, E-1 580 Taylor Avenue, Annapolis, MD 21401 **410-260-8596**.

## Spring Clean Up Is April 20th This Year

### Calendar of Events 2013

- April 10th  
TPPOA General Meeting  
7:00 p.m.
- April 20th  
Spring Island Clean UP
- September 14th  
Turkey Point Day  
Cloud Field
- October 10th  
General Meeting & Election of Board and Officers  
7:00 p.m.
- October 31st  
Island Halloween Party  
5:00- 6:00 p.m.

Another great way to meet our neighbors and make our Island even more beautiful is to volunteer to assist in cleaning up the island!!! Meet at the Pier at 9:00 a.m.

This year in addition to groups walking the Island picking up trash etc, we are hoping to

- Spruce up the Marsh Dedication sign — bags provided.
- Replace the bottom step onto the pier — material supplied
- Bang loose nails back into the pier and boardwalk — bring a hammer.
- Spruce up the Signs leading to each beach and common area.

Bring your own gloves. We are usually done by noon or before. So come on down and volunteer a little of your time. Coffee and Muffins are supplied. See you there.

# TPPOA STICKERS

**DID YOU KNOW**—TPPOA stickers are available for your cars? Stickers may be requested from any board member. The stickers help identify vehicles as being authorized to be parked near common areas and also to help with island security.

**DID YOU KNOW**—If you cut limbs, etc., four feet or shorter and bundle them with twine/ rope the county will pick up the bundles for free.

**DID YOU KNOW**—The board is always looking for suggestions and volunteers to help in beautifying our community even more.

## Do You Know Where Your Nearest AED Is?

Ok first WHAT is an AED? It is an Automated External Defibrillator. AED's can save a life of a heart attack victim if used quickly. They are intended to be used while an ambulance is being dispatched.

TPI has two mounted for everyone's safety. The locations are: **Bob Widman's house at 1169 Turkey Point Road—corner of Brice and Turkey Point Road**, and **Tony Pilostomos' house at 3704 Ramsey Drive, corner of Ramsey and Turkey Point Road**. They are

mounted in weather proof boxes. Anyone who would like more information about these life-saving devices or who would like to learn how to use one, please contact a board member or the Londontowne Fire Department for instruction.

If anyone on TPI is familiar with how the AED works and can offer to check them once a year, PLEASE contact Charlie Candon 410-798-1848. The people responsible for securing them have since moved. It would be helpful to know that someone here is looking after them.

### The Scoop!!

Please remember to **Scoop your pet's POOP**. Scooping poop is not for dog owners, only. Cat owners are aware of their cats affinity to certain neighbors' property, so please be mindful of your neighbors, as well. And whatever animal you are responsible for, if it doesn't "go" in a toilet, please PICK IT UP!

# TURKEY POINT DAY

September 14th — 1:00 to 6:00 p.m. at Cloud Field  
Please join us for another fun-filled day!

Turkey Point Day is a great family event and a great way to get to know your neighbors. There will be a Moon Bounce, volley ball, corn hole, our Island DJ Rex, pit beef, burgers, hot dogs, grilled chicken, baked beans, salad, dessert, water, soda, beer and wine. Food and drinks are free for island residents. Guests are welcome. Admission for guests is \$10 for adults, \$5 for children ages 6-12 and free for children under six years.

Residents attending are asked to fill out the menu by bringing a non-perishable dish or dessert to share. Fruit, salads, cookies, brownies and cupcakes are always favorites.

A lot goes into Turkey Point Day preparation. Setting up and taking down tents, tables and chairs for the event is a big job. Help manning the grill is always appreciated. More help means less time and work for all. If you can, plan to come early to help set up or plan to stay a little while after 6 o'clock to help take down. It's always a good time to visit with your neighbors and enjoy lots of good food.

### Do You Have a Turkey Point Phone/Email List

Turkey Point phone/email lists are available at general meetings. If you cannot attend, contact a board member for one. We try to keep them updated. If you have new contact info, please contact Barb Flynn 410-798-0148 or email [flynnndenbar@comcast.net](mailto:flynnndenbar@comcast.net).

### Hazardous Waste Pick-Up Days

5/11/13 and 9/14/13  
Southern Recycling Center  
5400 Nutwell Sudley Rd., Deale, MD 20751  
7/27/13  
Millersville Landfill  
389 Burns Crossing Rd., Severn, MD 21144

**DID YOU KNOW**—What happens when you leave trash bags out for pick up and don't place them in a trash can. It is a picnic for the birds and a mess for your neighbors. Please be considerate and stash your trash!

**Washingtonian**  
MORTGAGE

**Thinking of refinancing or buying?**

Butts on the Beach

While derrieres are welcome to rest on the beaches of Turkey Point—**CIGARETTE BUTTS ARE NOT**. Cigarette butts do not degrade and last for generations. Certainly there are better things one can leave for their grandchildren than a nicotine yellowed cigarette butt. Dispose of your butts in trash cans or carry a plastic bag or other container. **Please don't be a litter leaver. Be a picker-upper.**
